

Pug, multum in parvo.

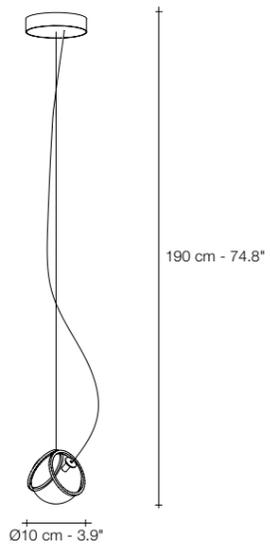

The Pug is a dog described as “much in little,” referring to the greatness of its personality despite its diminutive size. Inspired by the Pug’s charm, designer Jean-François Crochet created Pug pendant light, whose protruding spherical lights are reminiscent of a pug’s face. As with the breed, the Pug pendant packs significant charm and beauty into a small package. Illuminated by led light, these glass pendants are framed by two brass bands. With Pug, it’s easy to bring a new best friend (or pack of friends) into a home. Available in clear/raw brass and satin white/polished brass. Design Jean-François Crochet.
