## Body

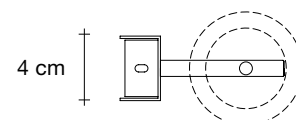

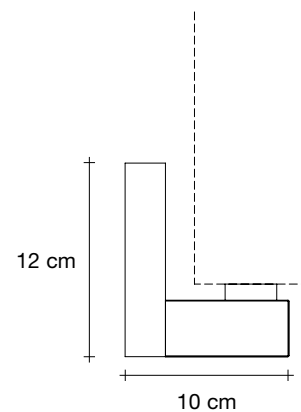

**Light source**  
230-240V ~ 50/60Hz

dimmable options

 all systems

## Canopy

Capturing a moment in time, Frame features a metal coral leaf enclosed inside borosilicate glass, preserving a delicate imprint of nature. Hidden inside is a single bulb that glows from within. This creates a stirring light that projects a dynamic shadow due to the permeable coral. Frame is available in white, gold plated, or silver plated. Design Terzani Lab.
