or optional 345 lm 2700K

dimnable options

 1-10V
PUSH
DALI

Canopy | white

Manta was created featuring sinuous, undulating lines. The result is soft waves of crystal light reminiscent of being un-derwater. The innovative Manta is made of crystal, with a dim-mable integrated led lamp focused on maximizing the crystal's reflection. Manta's organic form is available in two sizes and can be installed in numerous, custo-mizable arrangements. Design Dodo Arslan & Nicolas Terzani.
