DALI

## Canopy | white or brushed nickel plated

Inspired by the tranquil and mesmerizing light refractions created by water, Mizu is a customizable pendant light from Terzani. Like water droplets, no two Mizu are alike; each crystal shape is unique and meticulously handmade. Using only the clearest crystal, Mizu perfectly emulates water's refraction of light, casting amazing patterns around the room, reminiscent of flowing water. Available in clear, silver dust, gold, cognac, and champagne finish. Design Nicolas Terzani.
