Body

Recommended Light
120V ~ 50/60Hz

-  LED
4W E12
- dimmable with**
-  all systems

Canopy

Capturing a moment in time, Frame features a metal coral leaf, enclosed inside a borosilicate glass preserving a delicate imprint of nature. Hidden inside is a single bulb which glows from within. Creating a stirring light that projects a dynamic shadow due to the permeable coral. Frame is available in white, red, gold plated or silver plated. Design Terzani Lab.
