I Lucci Argentati draws from nature to create a whimsical, yet modern light. Recalling a school of fish darting through freshwater, it creates a mesmerizing luminescence. Sets of sleek lights combine to form a stunning pendant with thin incisions along the bottom creating an understated, tranquil beauty. Thanks to its modular system, I Lucci Argentati is customizable and can be combined in many different configurations: from small to extra large; as a pendant or sconce; and finished either in brushed nickel or white.
