Not suitable for sloped ceilings

Light source

120V ~ 50/60Hz

Built in Replaceable LED Module
1.5W 135 lm 3000K

not dimmable

Canopy | white

Manta was created featuring sinuous, undulating lines. The result is soft waves of crystal light reminiscent of being un-derwater. The innovative Manta is made of crystal, with a dim-mable integrated led lamp focused on maximizing the crystal's reflection. Manta's organic form is available in two sizes and can be installed in numerous, custo-mizable arrangements. Design Dodo Arslan & Nicolas Terzani.
