LA LUCE PENSATA

Argent, mon bijou | design Dodo Arslan

[illegible]

With this new rechargeable table lamp, designer Dodo Arslan creates a shimmering, silver cloud. Argent consists of metal discs that have been meticulously joined by hand by Terzani craftsmen into clusters. Once lit, the multiple, angled surfaces of the discs emanate a soft, shimmering glow. Design Dodo Arslan.

All products in the Terzani collections are inspired by a return to nobel artisan traditions. Every object is carefully created using craft techniques and for this reason certain details may vary from product to product. These variations are not imperfections but characteristic peculiarities of the production process. Terzani reserves the right to modify its products in order to improve its features.
