Bond's bands of light expose a deceptively luxurious interior. Under the glass exterior, lays a core of gold leaf that creates a deep, complex radiance. The overall glow is intensified by incisions that emit focused, dramatic lines of light. Extremely versatile, Bond is available in three sizes; as either a pendant or a table/floor light; and with a black or white exterior. Whether alone or grouped together, Bond's light creates a dynamic atmosphere. Design Bruno Rainaldi.
