## Product Name

Calle  
pendant light

## Materials

clear crystal (24% lead)

## Finishes | Code

white disc | clear  
OT01S E8 A9 KK

## Body

## Light source

230-240V ~ 50/60Hz

HALOGEN  
20W G4 12V  
or

LED  
2W G4 12V

dimnable drivers available

IGBT  
10-100K Ω  
0/1-10V  
PUSH  
DALI system

## Disc | white

At Terzani, we spend countless days searching the globe for talented new designers, but sometimes they find us. Such is the case with the young designers Luca Martorano and Mattia Albicini who approached us with the design for Calle, a fantastic new light we instantly fell in love with. It showcases our skill at crafting crystal to take the material to an exciting, modern place. Luca and Mattia worked with our craftsmen to create a slender inverted flute of 24% lead crystal that, like the calla lily it mimics, can be grouped into stunning bouquets of light. Design Luca Martorano and Mattia Albicini.
