120V ~ 50/60Hz

HALOGEN
35W GY 6.35 12V

or

LED
3.5W GY 6.35 12V

dimmable with

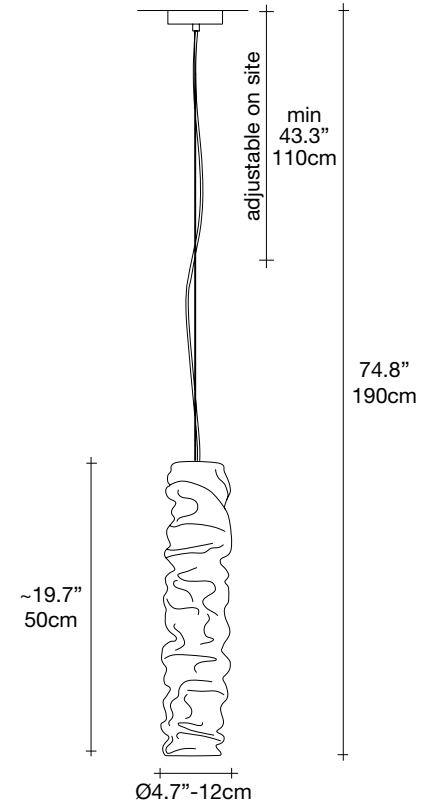

IGBT
TRIAC

Shar Pei, designed by Luca Martorano and Mattia Albicini, employs sheaths of “wrinkled” crystal that take their cues from shar pei puppies. The “cute factor” is replaced by a stunning and elegant display created by the projection of light through the undulating 24% lead crystal. These lights can also be grouped together to create a “pack” of lights.
